EXPERIENCE

FLUI Hackathon, Vancouver, BC Mentor Lead

August 2024 - March 2025

FLUI was a student-led design hackathon, and I was honored to be a part of the external management team in the role of a Mentor lead, and my duty was to onboard mentors for the participants in the hackathon.

Cuddles Learning Inc., Toronto, ON (Remote) Visual Design Intern

August 2024 - January 2025

During my time in this company, I designed the identity and layout of the company website on Wix, created visually appealing graphics and multimedia content, and designed promotional material with the marketing team.

SkillHat, Toronto, ON (Remote) Product Design Intern

April - August 2024

Collaborated with other designers, developers, researchers, and project managers to design, develop, and launch an AI-powered e-wallet App

Rayaneh Amin, Isfahan, Iran Design Assistant

2022-2023

Assisted senior designers in different stages of the design process, from research to ideation and creation of prototypes.
